Residential & Commercial Turnkey Interior Solutions

At PTS Progression, we specialize in providing comprehensive turnkey interior solutions for both residential and commercial spaces. Our expertise spans renovation, refurbishment, and full-scope turnkey projects, tailored to meet the evolving needs of modern businesses and homes. With a proven track record, we partner with multinational corporations, renowned clients, and Integrated Facility Management (IFM) service providers to deliver seamless and impactful interior transformations.

In the residential sector, we have transformed premium homes in prestigious locations such as DLF Farms Chhatarpur, Saket, Vasant Kunj, Anantraj Estate Floors Sector 63A Gurgaon, Sushant Lok Gurgaon, and Sukhna Enclave Chandigarh.

Choose PTS Progression for your next interior project and experience design driven by passion and delivered with precision.

Space Planning

Space planning is the process of designing an efficient layout for a specific space. Our team of professionals provides customized solutions tailored to meet the unique requirements of our clients. Our space planning services include evaluating space utilization, developing floor plans and furniture layouts, and creating 2D and 3D models to visualize the end result. Choose our space planning services for a functional and visually appealing space that meets your unique needs.

Interior **Fit-Out** & Refurbishment

Our interior fit-out and refurbishment services transform existing spaces to enhance functionality, aesthetics, and user experience. We offer comprehensive solutions that include space planning, design, construction, and project management. Our services range from installation of new elements to upgrading electrical and mechanical systems. Our team uses the latest technology to create 2D and 3D models, ensuring that our solutions align with your vision, needs, and budget. We prioritize sustainability, creating eco-friendly designs that are functional and visually appealing. Choose us for a transformed space that meets your unique needs and exceeds your expectations.

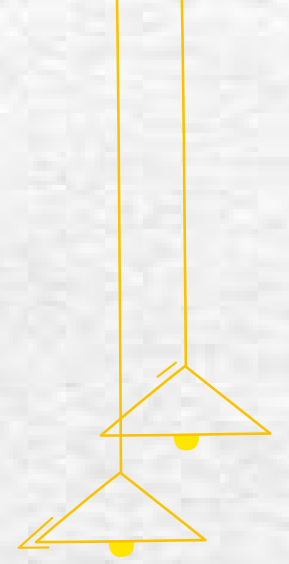

Interior Design

Our interior design service provides customized solutions that enhance the functionality, aesthetics, and overall user experience of your space. Our team of professionals utilizes the latest design software and technology to create 2D and 3D models, allowing our clients to visualize the end result before construction begins. We prioritize sustainability and eco-friendliness in our designs, ensuring that our solutions are not only visually appealing but also environmentally conscious. Choose our interior design service for a team of experts who will transform your space into a functional and visually pleasing environment that meets your unique needs and exceeds your expectations.

Project Management

Our project management service ensures that your project is completed on time, on budget, and to your satisfaction. We provide a dedicated project manager who oversees the entire process, from the planning and design stages to construction and final delivery. Our team utilizes the latest technology and software to ensure efficient communication, scheduling, and budget tracking. We also provide regular progress updates and facilitate open communication with our clients to ensure that their vision and needs are met throughout the project. Choose our project management service for a stress-free and successful project completion.

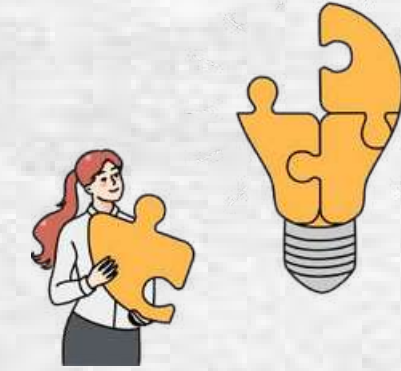

Our Process

Our process begins with extensive interaction with our clients to understand their specific needs and goals. We then utilize brainstorming techniques and creative solutions to develop a comprehensive plan that aligns with their brand vision. Our team conducts in-depth research to ensure that our solutions are innovative, effective, and tailored to their unique requirements.
